**WHAT TO BRING & WHAT TO WEAR** Bring your own tables (see RESERVATIONS for table restrictions), folding chairs, paper or plastic bags for merchandise, a trash bag or box and plenty of bottled water. If it's hot, bring along a hat/visor, sunglasses and sunscreen. Wear old clothes and comfortable shoes.

**WHEN TO START** Come out early. Some of your best sales may come from other vendors before the flea market even opens.

**HOW TO PRICE** Make sure all of your items are clearly marked with a price tag. **DO NOT** make your customers ask for prices. If you are busy with another customer, you could lose a potential sale. Price your items to move. A true flea market shopper loves to bargain! A price guideline is 10% of the original retail price with the exception of antiques and collectibles.

**NOTE** Bring at least \$20 in \$1s and \$5s to get you started. Also, bring quarters if you plan to price anything under \$1.

An apron with deep pockets will serve as a good money holder.
